

CSA Approved Products

Nº. 1090

The CSA (Canadian Standards Association) code, is a standard published to establish safety standards for the installation and maintenance of electrical equipment. The CSA registered mark shows that a product has been independently tested and certified to meet recognized standards for safety and performance.

The tables below indicate what SVF products are CSA approved:

("✓" indicates CSA approved; "-" indicates not CSA approved; "N/A" indicates not applicable)

Table A: E-Series Actuators

PRODUCT	12 VDC	24 VDC	115 VAC	115 VAC*	230 VAC	24 VAC
